 FROM: Trinity Presbytery Office
 RE: Presbyterian Car Decals

Several churches have contacted the Presbytery office for information on ordering the Presbyterian car decals. We have coordinated several bulk orders with all 5 SC presbyteries in the past to reduce the price per decal. Because of renewed interest, we have decided to do so again.

By combining our purchasing with all the presbyteries, churches receive the volume discount. Decals can cost as little as \$.33 each. There is a \$28 setup charge per church, as well as tax & shipping charges, which would be divided among all the churches that place an order according to the quantity ordered. A **minimum of 125 decals** per church is required.

If your church would like to order decals, complete the order form at the bottom of this page and return it to **Trinity Presbytery Office by April 1, 2010**. Include a check (**made payable to Trinity Presbytery**) for **\$28** to cover the church setup charge. You will be invoiced for the balance when the decals arrive and tax and shipping charges are known.

The price structure offered to the Presbyteries are as follows:

Total Ordered	Price* Per Decal
1000	.53
1500	.41
2500	.33

*Setup charge for each church is \$28. Tax and shipping to be added.
